G&L Ellie's Charm is a heifer with a big ol body that we believe will bring size to our herd. A JTW Side By Side daughter, she has the correctness and structure that we require in all of our females. She is just beginning her journey, but we believe she has all the makings to be a great Longhorn cow in the future. Her genetics appear to be a great future pairing with M2 Rifleman, as well as our up-and-coming partnership bull, Too Tuff To Beat.
